| 28/07/09 | http://lostpoem.files.wordpress.com/2008/11/violin.jpg |  <p>I like this picture because it creates a sense of atmosphere. The violin is an older instrument but is clearly in active use. The yellowed light probably coming in through a window is a charming detail.</p> |
| 29/07/09 | http://www.sellfromtheweb.com/sample/images/Becker_Violin.jpg |  <p>I don't really like this picture because it is too clinical. The background is an unnatural white and the instrument itself looks quite plastic.</p> |
