Monday, August 03, 2009	http://photos.ellen.warnerbros.com/galleries/a_day_in_ellens_photos	 <p>This is the site of the famous talk show Ellen hosted by Ellen Degeneres. They used a fair simple background of two flat screens, on smaller one showing the shows logo and the other bigger one shows a season I.e. Winter Summer Autumn ect.</p>
Monday, August 03, 2009	http://edition.cnn.com/	 <p>This is a snap shot of the signature CNN style interview which used a dual pane effect.</p>
Monday, August 03, 2009	http://au.todaytonight.yahoo.com/home	 <p>This is the Australian news show Today Tonight. They use a different approach from CNN. Today Tonight used the “back yard” or “on the street” look to show that the people they interview are real people and are just like the viewers.</p>
