

Timestamp	pleas give your first name.	pleas give your age	pleas give your gender	How inviting was the home page?	How well did the buttons across the site work?	Did the colour scheme match the intention of the site?	Did the designs and graphics match the intention of the site?	How interactive was the site?	How can the site be improved?
6/29/2009 18:59:24	Rebecca	15	female	3	1	3	2	2	By making buttons that work, pictures that match the site (birds)?
6/29/2009 19:01:09	carmel	16	female	4	2	4	3	2	the buttons and navigation need more improving.
6/29/2009 19:03:06	David	16	male	5	1	3	4	1	keep the same background
6/29/2009 19:05:54	jack	15	male	4	2	3	3	1	must be clearer with the links and also you must make the links work better graphics for the home page was a bit overpowering the links so i give this website 2.5 out of 5
6/29/2009 19:11:25	Travis	15	male	2	2	1	1	2	All the sites need to have the same background. The home page colouring doesn't work for me because what colours are you going to use for the links on the page. The links need to take us to good backgrounds that show all of the texts e.g. the top right hand corner of most. the links are green what the????
6/29/2009 19:13:29	Lauren is awesome.	15	female	5	2	2	3	3	make the links work. also make the home page easier to read. (: other than that, gooooo. (: BTW. ITS SPELT PLEASE. (:
6/29/2009 19:16:48	Barbara	15	female	2	3	3	2	3	You can't see the links on the home page. so make it another colour. There is also no links or buttons on all the pages except the home page. So you will have to add buttons.
